

THE UTAH HOMEOWNER'S

Annual Home Maintenance Checklist

27 tasks that prevent \$10,000+ in emergency repairs — with average Utah pricing included

Most homeowners react to problems instead of preventing them. This checklist gives you a proactive maintenance schedule — and shows you exactly what each service costs at retail vs. what SUBS members pay. The average Utah homeowner can save **\$1,400–\$2,800/year** on routine maintenance alone.

SPRING | March - May

TASK	WHY IT MATTERS	RETAIL AVG	SUBS PRICE
HVAC Tune-Up	Prevents breakdowns in peak summer heat. Extends unit life 3-5 years.	\$280-\$380	\$165
Roof Inspection	Catch winter damage before it becomes a \$15k repair. Check flashing, shingles.	\$200-\$350	\$130
Gutter Cleaning	Clogged gutters cause foundation damage and fascia rot. Clean 2x/year.	\$120-\$200	\$79
Pest Control (Spring)	Spring is when ants, spiders, and rodents seek entry. Treat perimeter.	\$120-\$180	\$79
Window & Door Seals	Air leaks cost \$200-\$400/yr in wasted energy. Inspect and re-caulk.	\$80-\$150	\$55
Lawn Aeration	Compacted Utah soil kills grass roots. Aerate before growing season.	\$100-\$175	\$69

SUMMER | June - August

TASK	WHY IT MATTERS	RETAIL AVG	SUBS PRICE
Sprinkler System Check	Broken heads waste 1,000s of gallons and kill landscaping.	\$85-\$150	\$59
Dryer Vent Cleaning	#1 cause of house fires. Clean annually minimum.	\$100-\$150	\$69
Exterior Paint Touch-Up	Peeling paint exposes wood to moisture. Catch early before full repaint.	\$200-\$400	\$140
Deck/Fence Inspection	Utah UV destroys wood fast. Seal or stain every 2-3 years.	\$150-\$300	\$99
Window Washing	Protect glass from hard water mineral buildup that etches permanently.	\$150-\$250	\$99
Plumbing Check	Inspect under sinks, check water pressure, test shutoff valves.	\$85-\$150	\$65

FALL | September - November

TASK	WHY IT MATTERS	RETAIL AVG	SUBS PRICE
------	----------------	------------	------------

Furnace Tune-Up	Do not skip this. A failed furnace in January in Utah is an emergency.	\$120-\$200	\$85
Chimney Cleaning	Creosote buildup causes chimney fires. Required if you use your fireplace.	\$150-\$250	\$110
Gutter Cleaning (Fall)	Leaves clog downspouts causing ice dams and water intrusion.	\$120-\$200	\$79
Weatherstripping	Replace worn strips around doors and windows before winter.	\$80-\$150	\$55
Pest Control (Fall)	Rodents seek warmth in fall. Treat before they find a way in.	\$120-\$180	\$79
Water Heater Flush	Sediment buildup reduces efficiency and lifespan. Flush annually.	\$80-\$150	\$65

WINTER | December - February

TASK	WHY IT MATTERS	RETAIL AVG	SUBS PRICE
Pipe Insulation Check	Frozen pipes burst and cause \$5,000-\$70,000 in water damage.	\$100-\$200	\$75
Roof Snow Load Check	Utah heavy snow can exceed structural limits. Inspect after major storms.	\$150-\$250	\$99
Air Filter Replacement	Dirty filters make HVAC work 15% harder. Replace every 60-90 days.	\$20-\$60	\$15
Carbon Monoxide Test	Heating systems leak CO in winter. Test detectors and replace if needed.	\$50-\$100	\$35
Electrical Inspection	Holiday loads and aging panels cause winter fires. Inspect breakers.	\$150-\$250	\$110
House Cleaning (Deep)	Professional deep clean maintains surfaces and catches hidden issues.	\$200-\$350	\$125
